

June 2014

Coalition of Student Leaders Shauna Thornton, Speaker

As the semester winds down and graduation approaches for many of the Coalition of Student Leaders, the students are working to finish the last few projects for the academic year. We completed the revision of the Coalition's Charter at the May 2 meeting. There were a number of small changes including the addition of three positions: a secretary, a treasurer and a histori-host the

two retreats and the legislative advocacy trip to Juneau. These three events are held separately on the three university campuses but mostly paid for by Statewide System Governance. This year, we asked the three university student governments to host each event. UA Fairbanks Student Government will host the August Summit, UA Anchorage Student Government will host the January Retreat, and UA Juneau Student Government will host the February Legislative Affairs Session.

We recently passed Motion 20-14 "Student Government Advisor Training." The motion was settled UA President's Office after collaborating with Saichi Oba,

American Student Government Association's executive director, Butch Oxendine, at the August summit. Arrangements are in the works for another ASGA session with student government advisors in the fall

The Coalition composed two resolutions for appreciation of service, one for Sharon Carter, SGA President, and another one for Jarmyn Kramlich, UAS President, upon their resignations. The resolutions express appreciation to these former members of the team as they leave the University of Alaska System. We wish them success in all future endeavors.

The Coalition submitted a second motion

System Governance Council
Dory Straight, Interim Spokesperson
