

Submit an Expense Report for Travel Expenses

It is recommended to start the Report as soon as the Request is fully approved. This helps the traveler manage their expenses on the go and deters outstanding card charge notifications.

1. In the Request module, open the associated Request from the Request Library and select "Create Expense Report"; use the View drop-down menu to change the filter if Request is not listed under Active Requests

- c. The Header information auto-populates from that Request
- 2. Open the Header to verify information from the Request is still accurate and make any corrections based on changes since original trip approval

3. At the bottom of the Report Header, change the Travel Allowance answer to "Yes, I want to claim Travel Allowance" if this is the first Report for a completed trip even if traveler is not claiming per diem reimbursement (the Travel Allowance documents time in travel status)

4. Enter the Travel Allowance based on the business-only itinerary and create individual **p**

- 6. Attach Receipts and other pertinent or required documentation
- 7. Reconcile any Travel Advances (Concur will alert the user if any are available to add to a Report)

×	ici . Imere are cash advances available to add to this report. View

8. Verify all information is complete and correct then Submit Report (top right-hand corner)
